Dear Mr. Brown:

Thank you for sending the information reagrding the report by Health and Welfare on environmental sensitivities.

It is encouraging to learn that Health and Welfare has finally recognized the need to address environmental sensitivity. As you point out there is still a lot of work to be done. When Mr. Heap returns to Ottawa I will bring your letter to his attention.

Thank you for taking the time to write.

Yours truly,

Susan Murray, Assistant to
Dan Heap, MP
